

Terms and Conditions

A total of six Vauxhall models can be purchased within any 12-month period, by a Partner/Associate and their nominated relatives/friends. Please note that it is six vehicles per 'Partners Account' and not six vehicles per person. 'Partners Account' refers to the original Partner/Associate and all of their subsequent nominees. Vehicles purchased on the Vauxhall Partners Programme must be kept for a minimum of six months. GM's Audit Department carries out random checks and may request to see the vehicle's V5 logbook at any time during the minimum six months' ownership period. If you are a recipient of this mailer and you are no longer eligible, the offers included in this brochure do not apply. All offers subject to terms, conditions and availability.

'Common Law' spouses or same-sex partners are also eligible. To satisfy the Company that a genuine partnership is involved, a copy of either a utility bill or credit card statement, bearing the same address as the employee, must be provided. This copy must be held in the vehicle registration file for audit purposes. Only one partner can be registered per employee.
